## Legacy Brand Products From Huntington Business Products Deliver Quality, Customer Satisfaction, & Exceptional Value For Their Clients!

In today's economic conditions, many businesses are seeking ways to reduce their office supply expenditures. One of the most overlooked ways to reduce cost without sacrificing quality or customer satisfaction is selecting HBPC's private brand of office supplies, Legacy Brand Office Products!

The Legacy® product line offers high quality alternatives for office professionals. These products guarantee the same performance as branded items at a fraction of the cost. Legacy brand office products have been selected and manufactured to the highest standards and are designed to offer you quality solutions at cost-effective prices.

One excellent example of significant savings delivered by using the Legacy product line is their selection of toner cartridges. All Legacy Brand Toner Cartridges are lab-tested and guaranteed to be compatible with the original equipment manufacturer's machines. Legacy brand toner cartridges deliver dramatic savings off the cost of brand name supplies without short-changing customers on quality or fill capacity!

With over 500 cost-effective items to choose from, your HBPC sales or customer service representative can assist you in selecting superior quality products with the highest standards at an exceptional value!

So start now and make your office legendary in reducing office supply expenditures by choosing Legacy! ■
